

Jade
Hey.

Vic
(points to self) Hey...me?

Jade
Yeah, you're the one from that big showcase
that got everyone all whipped up, right?

Vic
Ummm...yeah, I guess. I'm Vic.

Jade
So do you like...go here now?

Vic
Uh-huh. This is my (checks watch)
third minute here. How'm I doin'?

Jade
Where do you train?

Vic
Train?

Jade
Who's your acting coach?

Vic
Ohhh, uh, I've never really
taken an acting class before.

Jade
Voice? Dance? Anything?

Vic
Yeah, not really. But, when I was
seven I took this cooking class
for kids! It was called "Tots with
Pots." I invented peanut-butter
soup.

Jade
So...lemme get this straight, you
haven't had any kind of theatre
training...at all?

Vic
Is that bad?

Jade
Ohh no! Not at all, it's fantastic!
Anyway, the important thing is that
you're thin and have really nice hair.

END SCENE ONE

VIC AND JADE ARE IN ACTING CLASS AND, AS AN EXCERSISE, START TO PLAY THE ALAPHBET GAME STARTING WITH "H".

Jade
Hey. There's a cliff, why don't
you go jump off it?

Vic
I think you should.

Jade
Just where did you come from?

Vic
Kangaroos. Yeah...my parents
were kangaroos.

Jade
Lousy animals, kangaroos. Quite
awkward and dirty.

Vic
Maybe they learned from you.

Jade
No one talks to me like that.

Vic
Ooooh, I think I just did.

Jade
Perhaps you've realized that
I don't like you.

Vic
Quite obnoxious of you to say.

Jade
Really?

Vic
Sure was.

Jade
True though.

Vic
Up your nose, I see boogers.

Jade
Very cute.

Vic
Wish you thought of it?

Jade
X marks the spot where I'd
like to punch you in the face.

Vic
You don't have the guts.

Jade
Zero. That's where you stand
on a scale from one-to-ten.

Vic
As if I care what you think.

Jade
Better watch yourself.

Vic
Can't you stop talking?

Jade
Don't push me.

Vic
Eat your pants!

Jade
You eat your pants!

Vic
Ah-hah! I win.
