

EXT. INSIDE KELLY'S CAR - DAY

KELLY has just burst into MATTHEW'S school, forcibly removed him. He's pissed. MATTHEW fucked with D's head, turned her into a good girl.

MATTHEW doesn't have to guess how pissed KELLY is.

MATTHEW

Where are we going?

KELLY

...I thought you were cool man. I tried to be your friend. And what'd you do? You fucked me.

MATTHEW

I didn't fuck you!

KELLY

She didn't show up on set today because of what you said and now I'm out 30 grand.

Kelly stares at Matt, eyes stone cold.

KELLY (CONT'D)

Guess who's paying me back?

MATTHEW

What?! I don't have 30 grand!

KELLY

Welp.. Get your folks to help you out.

MATTHEW

They don't have that kind of money.

Kelly gives no fucks.

MATTHEW (CONT'D)

Look.. Kelly.. I'm a problem solver, all right. This- this is what I do.

(He's got this...)

Okay? Let's just.. Let's just think outside of the box here.

(Draws box with his hands)

Look--

Cars pulls onto a back ass dirt road. Where in the fuck is Kelly taking him?

MATTHEW (CONT'D)

She'll get a job, I'll keep mowing lawns, and over time we'll pay it down. This can work! We can do this. It'll be like... a payment plan.

Kelly pulls the car over, dust flying in the air. Shuts car off, looks over to Matt.

KELLY

You really care about her, huh?

MATTHEW

(Soft)

Yeah, I really do.

KELLY

If I'm gonna do this payment plan thing, I'm gonna need a show of good faith, ya know?

(Shakes fist)

Something *concrete*.

MATTHEW

Well like what?

KELLY

A blowjob.

MATTHEW

(smirks, subtle laugh)

No. No I told you that she's not gonna do that anymore.

KELLY

Who said anything about her?

He cracks a crazed smile, Matthew is beside himself. The moment stews.

KELLY (CONT'D)

Yeah. We're definitely outside the box now, huh? You gotta ask yourself, how far are you willing to go?

(Starts to unbuckle his belt)

How much do you really care about her?

Matthew looks like he's going to vomit. Then... Kelly laughs.

KELLY (CONT'D)
 I'm joking man!
 (shakes Matt's shoulder)
 Relax! Damn! Do I look gay to you?

MATTHEW
 (Also laughing, what a
 joke... it's a nervous
 laugh)
 NO! But Jesus--

He's cut off when Kelly leans over and starts punching him. Whacking him side to side, his forehead starts to bleed.

Matthew is crouching basically inside himself, fetal position sitting up.

KELLY
 You want to be president? Let me tell you the first rule about politics.. Always know if the juice is worth the squeeze. Do you know what that means? It means you don't steal my girl unless you're ready to accept the consequences.

Kelly looks, relaxes his expression.

KELLY (CONT'D)
 All right, I'm sorry.
 (Looks at his forehead)
 That's gonna swell up like a bitch, here..

He hands Matt some pills that look like aspirin.

Note: they're not fucking aspirin. It's MDMA. Matthew has no idea what the hell **Molly** is or what it looks like.

KELLY (CONT'D)
 I'm telling ya, it's gonna hurt like shit.
 (hands him pills)
 I'm sorry I got upset. I just-- I felt taken advantage of. Look I'm not gonna be a dick. I know she loves ya, and I'm gonna leave you guys alone. But now you're doing something for me...
