TRICKS

1--1

ROGER

What it is, there's never any spontaneity to it.

ELISE

Spontaneity, sure., what you mean by spontaneity is jumping on me when I come out of the shower.

ROGER

There's nothing wrong with that.

ELISE

When I'm all clean.

ROGER

When do you want to make love, when you're all dirty?

ELISE

I sure as hell don't want to get all sweaty again after I've just taken a shower.

ROGER

Then how about before you take your shower?

Tricks

1--2

ELISE

I don't like to make  
love when I feel all  
sweaty.

ROGER

So you don't like to do  
it when you're sweaty  
and you don't like to do  
it when your not sweaty.  
When do you?

ELISE

You're twisting what I'm  
saying.

ROGER

No I'm not. The point  
I'm trying to make...

ELISE

The point is you're a  
sex maniac. I'm trying  
to cook, you come up  
behind me and shove that  
humongous thing at me...

ROGER

I don't see anything  
wrong with spon-  
taneous...

Tricks

1--3

ELISE

Not when I'm cooking!

ROGER

Then how about when  
you're not cooking? How  
about when I get home  
and we're having a  
martini, how about then?

ELISE

You know I like to relax  
before dinner.

ROGER

Well, what the hell is  
making love? I find  
making love relaxing, I  
have to tell you. If  
you think making love is  
some kind of goddam  
strenuous obstacle  
course...

ELISE

I can't enjoy my  
cocktail if you're  
pawing me while I'm  
trying to relax.

Tricks

1--4

ROGER

I don't consider  
fondling you pawing you.

ELISE

You don't know how to be  
gentle. All you want to  
do is jump on me like  
some damned rapist.

ROGER

I do not consider  
passion to be rape.

ELISE

That's because you don't  
know the difference  
between making love  
and...

ROBER

Okay, what's all this  
about? Tell me what  
it's all about, okay? Do  
you want to quit making  
love entirely? You don't  
want to do it before  
your shower, after your  
shower, while we're  
drinking or your cooking  
or watching television  
or when we wake up.  
When, Elise?

Tricks

1--5

ELISE

When I feel like it, and  
stop shouting.

ROGER

I'm not shouting, Elise.  
When do you want to do  
it. Do you ever want to  
do it, Elise?

ELISE

Yes!

ROGER

When?

ELISE

Right now, Roger, okay?  
Right here, okay? Let's  
do it right here on the  
sidewalk, okay?

ROGER

Fine by me.

ELISE

You'd do it, too,  
wouldn't you?

ROGER

Yes. Right here.  
Anywhere.

Tricks

1--6

ELISE

Well, I wouldn't. You'd have done it at the damned movie if I'd let you.

ROGER

I'd have done it in the bar, too, if you hadn't started arguing about that dumb movie.

ELISE

You'd do it in church. You're a maniac, is what you are.

ROGER

That's right, I'm a maniac. You're driving me crazy is why I'm a maniac. Let's do it in the elevator, okay? You want to do it in the elevator?

ELISE

No, Roger, I don't want to do it in the damn elevator.

Tricks

1--7

ROGER

Then let's take the  
elevator up to the roof,  
we'll do it on the roof.

ELISE

I don't want to do it on  
the roof, either.

ROGER

Where do you want to do  
it, when do you want to  
do it, Elise?

ELISE

Later.

ROGER

When later?

ELSIE

When David Letterman  
goes off.

ROGER

If we were on television  
and David Letterman was  
watching us and he had a  
big hard-on do you think  
David Letterman would  
wait until we were off  
to do it? Or would David  
Letterman....

I don't care what David Letterman would do or wouldn't do. I don't even like David Letterman.

ROGER

Then why do yo want to wait till he's off?

ELISE

Cause you'd fall asleep
